## Next Step Discover Skiing or Snowboarding

**Adults and children 6 yrs and older (after Discover lesson is taken first)**

Once you have covered the basics in the Discover lesson, try the Next Step Skiing or Snowboarding Discover lesson to increase your skill level. Our certified Snow Pros will work with you to help advance you to the next step so you can enjoy the thrill of riding even more. You will work in small groups so the Pro can focus on your skill level and help you move forward to a more experience understanding of what you need to continue to practice. Timely lessons combined with 3 days of practice before the next lesson is the fastest way to become proficient. Let KSR Snow School Pros show you the road to winter fun, excitement and exercise.
